Cover Photo: Marion residents gather at the shore to watch a regatta in Buzzards Bay, 1909. At the time, the Sippican Yacht Club had not yet merged with the Beverly Yacht Club, but the two worked together to hold annual regattas in the bay for small and large yachts. Today, Marion is considered one of the best yachting harbors on the east coast, hosting the BYC Junior Regatta and the Marion to Bermuda Race. — *Photograph from Historic New England*
